

Summer drinks by Ruslan Karelashvili

For over 12 years Ruslan Karelashvili has been making coffee. From an ordinary barista, he grew up into the head of the bar department of cafes chain called Kofein in Kharkiv.

Ruslan visited Ivano-Frankivsk at the first time back in 2016, when he organised Pitcher King - the first Latte-Art battle in our city. Later, he came here to attend various coffee competitions for three years. For now Ruslan and his wife are temporarily relocated to live here in Frankivsk.

Specially for Fabbrika Ruslan created a menu of cold beverages, in which he used his experience of mixing and combining flavours. For example, only here you will find a cappuccino with pine nuts, or a refreshing aloe-grapefruit lemonade.

"We used fresh and bright ingredients in the summer menu, so the receptors could have some fun"
